All programs like 4 youth is far away from Crescent Town. If they are nearby, then its easy to access these in hard weather

Day Care should be bigger and involve children learning in a clean environment

In winter time children and youth need indoor recreation centre.

Organizing more sports and outdoor program. Monthly community get together will improve inter-relationship among families.

Parents should be aware about responsibility and ovey of clean environment.

We need community events for the whole family

There should be a public accessible place that is right under our buildings. It shouldn't require cards or money. Also there should be better transport facilities of older youth.

We need youth engagement activities to avoid crime involvement

Recreational programs will help youth to be more prospective.

Advocacy and mentoring program. Improve facilities for the youth.

Need for social service activities

Programs for whole family and senior parents are needed.

The club that is located in the heart of my community is currently inaccessible. Because most of us girls cant reach it as it is polluted with ill mannered boys and some girls :(This is unacceptable because a lot of people like me cant visit it and we believe that we have the same right as the ones that actually visit. I strongly hope that my community club goes back to its healthy and normal status:)

N/A

Do something to reduce life accessing things cheaper, its too much high/ Expensive in 5 years.

Management services need to be improved in order to live in a cleaner and better environment!

Community needs skill development, training and employment services for women.

I think the people of this community mostly need employment services.

Everybody in the community should respect each other and wish each other, give preference each other. In this way peace will come.

This is a poor area in turms of values and morality
