Thoughts and suggestions (People with disabilities)

What are your thoughts and suggestions for improving access to programs and services for people with disabilities?

Security, support

Creating an easier way for them to attend them such as free trasportation.

shopping centre, orientation

Build more clinics , I suggest to increase the therapy clinic for disabilitie people

provide more accessible transportation

creating like a free transportation

Final Comments/Feedback

Main Challenge Facing Community

What is the main strength of your community?

people are older and on the lower range of income, they are more open and likely to share with neighbors and help each other

Security and support

The community centre

people try to help others

many different cultures

no none

there are many parks and grocery stores

the transportation

schools and ttc

shopping

comunication between people

peace and quiet

community centre

secutiry

Final Comments/Feedback

Please make any additional comments, below.

TTC service on Saint Clair from kingston to kennedy towards warden station is basically scarce and not on-time generally speaking

More oarticipation the community with the organizations.
Some times need more connections, because the organization have some many programs but they need more connections with the people.

In think programs should include more activities and be improved.

Community need lots of space for people with disability
